Pathfinder

I. Introduction

As part of the Revenue Assurance process, Pathfinder conducted an audit at *Elpro city square Mall* for the month of Aug 2026 with brands who are part of automatic data capture - POSPatrol. The audit will be performed under two counts; viz. POSPatrol vs. Store Sales Reports and POSPatrol vs. CA Certificate. The audit observations, outcomes and recommendations have been highlighted in the below sections.

Should you have any questions or require clarifications on this report, please contact the undersigned;

Total	**74**	**19,44,70,475**	**100%**

A. POS Software Change

Brand	Data Collection Method	Pospatrol Value	Observation	Resolution

B. Store Sales Report – Not Available

Brand	Data Collection Method	Value	Observation	Case History
Max	Pos Patrol | Push	2,12,63,240	Store Sales Report not shared by the brand	Pathfinder attempted to collect the store sales report via Email, Calls & Store Visit from the store / HO using but was not successful. Need your intervention to collection store sale wise report.
Go colors	Pos Patrol | Integra	12,47,555		
Levi's	Pos Patrol | Push	12,63,038		
Kfc	Pos Patrol | Push	39,35,685		
Shoppers Stop	Pos Patrol | Push	3,32,05,960		
Skechers	Pos Patrol | Push	24,01,209		
Mr. D.I.Y	Pos Patrol | Push	-		
Kraus Jeans	Pos Patrol | Integra	15,68,684		
Venky's	Pos Patrol | Integra	1,35,742		
Westside	Pos Patrol | Push	2,61,18,693		
Carnimax	Pos Patrol | Integra	27,09,938		
Popeyes	Pos Patrol | Push	20,55,668		

C. POS Patrol < Store Sales Report

Brand Name	Data Collection Method	Pospatrol Value	BWR Value	Variance	Variance %	Observation	Conclusion / Recommendations
Chinese Wok	Pos Patrol | Integra	16,53,649	17,63,885	-1,10,235	-6.67%	Bill missing and value mismatch between the Bill wise report and POSpatrol report	Awaiting clarification from store incharge to IT/Access to check the variance in retailer
Frido	Pos Patrol | Integra	15,57,487	15,60,285	-2,798	-0.18%		

D. POS Patrol > Store Sales Report

Brand Name	Data Collection Method	Pospatrol Value	BWR Value	Variance	Variance %	Observation	Conclusion / Recommendations

E. Conclusion

- Due to non-availability of store sales report for 12 brands its assumed that value reported by POS Patrol is accurate
- The accuracy stands at 100 % for the audit between POS Patrol vs. Store Sales Report.
- Store Sales Report collected from brands are available with Pathfinder and can be submitted as evidence upon request
